

2017-18 COLLEGE CARE PACKAGES "CHAI FROM T.I."

**Sign up now for our College/Young Adult
Outreach Program!**

"Chai from T.I." is a fun way to keep in touch with our synagogue's college students and young adults not living at home, and, a great way to share holiday traditions with them while they are away. It's a wonderful & economical way for parents & grandparents to let our young adults know they are

thought of in an extra special

way during these important Jewish Holidays. On four separate Jewish holidays, we will send holiday appropriate "care packages" to the students, accompanied by a special letter from our Rabbi and/or Cantor.

A selection of fun and meaningful holiday items and kosher snacks will be included in each box of tradition for the Jewish holidays. This year, we plan on sending packages prior to Sukkot, Chanukah, Purim & Passover. Each school year,

a new enrollment form will be necessary to ensure the correct college/ mailing address and continued interest by the student. Students whose parents are members of Temple Israel are eligible to be included in this program.
